Resident Camp

At Phantom Lake YMCA Camp campers will participate in fun, friendship-building activities that are designed to develop their skills and self-confidence.

The YMCA four core values of honesty, caring, respect and responsibility are the basis of how our staff and campers treat one another. The Bible verse Luke 2:52 also guides our mission that every camper is able to grow spiritually, physically, mentally and socially.

Specialty Periods, Free Choice, Tent Time, All Camp Activities

Specialty Periods offer campers the opportunity to increase their level of skill in a variety of areas. At the beginning of the week the kids are given explanations of all possible options, and choose two different specialties for the week. Each day they will spend an hour in the morning with the same instructor and campers learning a new skill. Options may include swimming lessons, boating*, dance, fishing, music, crafts, target sports, high ropes course*, zip-line*, slack-line, theater.

Free Choice activities occur each afternoon allowing campers to choose on a daily basis from all of our staff supervised activities. Traditional activities include arts and crafts, swimming, water trampoline, basketball, boating*, soccer, Gaga dodgeball, archery...and more.

Tent Time includes games, meals, QUEST, and a wrap-up talk at the end of each day. Campers are often surprised at the strong friendships they form so quickly within their tent family.

All Camp Activities occur in the evening after flag lowering. Campers enjoy skits, staff shows, games & relays or campfires and other special events. Friday evening concludes with the awards and closing ceremony.

(*certain ages or swim levels apply)
